

Certificate of Insurance

Short Notice Movers maintains \$2,000,000 worth of General Liability insurance, as well as required Worker's Compensation insurance coverage. Every Short Notice Movers truck has a minimum of \$40,000 cargo insurance which protects against loss of or damage to your goods while they are being transported.

Short Notice Movers assumes no liability for the following items:

- **Customer Packed Boxes:** Unless box is physically damaged (ex crushed) and damage noted on delivery.
- **Pressboard Furniture:** These items are not made to be moved once assembled.
- **Pole Lamps:** Pole lamps are shipped disassembled in boxes as they are not made to be moved once assembled. If possible, disassemble and box pole lamps to protect them, always remove bulbs.
- **LCD and Plasma Televisions:** Mechanical failure is not covered unless there is physical damage to the television. Whenever possible, package in original box/carton, which is made specifically to transport the television.
- **Electronics & Musical Instruments (Internal Mechanisms):** Includes the internal workings of all electronic items such as stereos, computers, computer accessories and all musical instruments. External damage to components is covered.
